APPENDIX – XIII

**SAFE DRINKING WATER AND
SANITARY CONDITION CERTIFICATE**

It is certified that an inspection team headed by the **Medical Officer, Primary Health Centre (PHC), Basrur, Department of Health and Family Welfare, Udupi District**, inspected the **VIDYA ACADEMY Near Railway Station, Kandavara**, on 07/10/2026 (date of inspection) and found that the facility has safe drinking water facilities for the students and members of staff of the Institution and is maintaining hygienic sanitation condition in the school building & the campus.

The drinking water sample was collected from the filter water source on 07/10/2026 and tested by the Primary Health Centre, Basrur. The water sample report, dated 09/10/2026, indicates **SPP** (Satisfactory for Potable Purposes).

This certificate is issued for official purposes.

Place : Basrur

Date : 09.10.2026
